A SERGE SUIT!

"It's a Blue Serge for mine." This is the thought of many a man, when considering what to buy for a Summer Suit. It's a wise conclusion, too. No fabric gives better return for money expended. No fabric is more dressy and none more comfortable, but the color must be right and the tailoring must be right or your Serge Suit will be a poor affair. We stand back of our Blue Serge Suits with an iron-clad guarantee of "Money back, if anything goes wrong." But it won't. We know our Serges and we know our tailors and that's the reason we back them. Suits, \$10.00, 12.00, 15.00 to 20.00. Single Breasted, Double Breasted or Two-Piece Suits.

We Clean, Press and Repair Clothing.

"Cravenette" is a Process---Not a Material!

A material that has gone through "The Cravenette Process" will shed water. "Priestley's Cravenette" is the standard of water proofing. You can always distinguish a Priestly material from the inferior grades by the Priestly Trade Mark which is always stamped on back of the goods and on the label of the garment. Our high grade Raincoats at \$10 to \$25 are the finest in the market and bear the Priestly guarantee of thorough rain proofing.
